I have been asked to discuss with you for these six hours a little bit about the Bible, how dependable it is, to how great an extent can we trust it, what are the evidences bearing on it. I think that it would be good if we started this ... just ~~what~~ what is our ~~attitude~~ attitude toward the ~~Bible~~ Bible. What is the place of the Bible in the life of the Christians. ~~What is our attitude toward the Bible.~~ Now, there are those who call us Bible worshippers, who ... say the Bible should have an important place ~~but~~ but that we are Bible worshippers, and they say, for instance that this Project America, this business of having it read in the schools and so on, is all ~~for~~ foolishness, because, after all, it is just one of many ~~god~~ good books, why should we put it in the place of worship. I think that the thing is summed
