

SOME IMPORTANT CUNEIFORM SIGNS

Handwritten cuneiform signs, organized into rows and columns, illustrating various symbols and their variations. The signs are drawn in black ink on a white background. Some signs are enclosed in parentheses to show alternative forms or variations. The signs are arranged in approximately 8 rows, with varying numbers of signs per row. The signs themselves are composed of simple geometric shapes like triangles, rectangles, and lines, arranged in specific patterns to represent different characters or words in a cuneiform script.
