

end. Is His government ruling in your heart. Is Christmas just a time when you give ~~gives~~ gifts, a time when you celebrate and say, Isn't it marvelous that we can be happy now, or is it a time when you realize the reason for happiness, that God's own son came to this earth, He who is perfect God and perfect man, the perfect sacrifice, that you as you look to ~~him~~ Him, and take Him into your heart, can be one of His children, can be ~~an~~ one of His children, can believe on Him and be born ~~again~~ again by His precious blood, that He can reign in your heart, and if you will let him do so, if you will look to Him, there can be a constant increase of His government and peace in your ~~heart~~ heart as he reigns in you today. Oh, may Christmas to each one of us mean a new relationship to Jesus Christ, a new knowledge of Him, a new closeness to Him, the Bible we said, ~~we~~ look forward to Christ. Isa, passage after ~~a~~ passage, Psalms, parts of the Old Testament and the New Testament tells how he lived and what he did. The ~~epistles~~ ~~ex~~ epistles explain it ~~and~~ and Revelation glorifies it. ~~Oh~~ Oh, may Jesus Christ ~~reign~~ reign in ~~the~~ the heart of each ~~one~~ one of us today.
