

Dr. Killen has returned to Faith Seminary to carry forward the great work for which he has been trained. The Seminary possesses a gem of scholarship and a leader of Christian understanding in Dr. Killen. Dr. Killen is also a man of great spiritual insight. He is a man who knows God, a great believer in the Westminster Confession and its teachings, a man who realizes that all are lost except through the matchless grace of Christ. Students have a privilege in studying at the feet of this Christian scholar.
