

a place where there would be modernism or unbelief in any way, or where there would be an extreme emphasis on some small denominational point, such as would be out of proportion to the great teachings of the Word of God. We try to have a balanced training at Faith and I believe that it will be more so in future than in the past. I am sure that you can get an excellent training in Dallas under those fine Christian men who are teaching there. If you decide to go there I shall pray that the Lord will go with you and bless you and make you a great servant of His. While you are already here in Philadelphia it does seem too bad for you to leave and I want you to know that if you should decide to stay there will be a warm welcome here for you. Whatever you do, however, may the Lord's blessing be upon you in all things.

Cordially yours in Christ
