

vation from sin. We must explain and understand everything in our life and in our relationship to God in relation to this principle of salvation by faith. It is His faithfulness. It is His faithfulness who ~~went~~ controls all the world and uses the forces for His purpose, and when He uses and evil purpose to accomplish His will. He is going to punish the evil purpose. He uses the wrath of wicked men to praise Him, but that doesn't mean they get any benefits from ~~having~~ what they have done, if ~~what~~ what they have done is contrary to His great principle. He is using all things to accomplish His purpose. He is working ~~all~~ out His perfect will in this age and ~~He~~ we should set our mind upon Him and ~~live~~ live in ~~per~~ perfect calmness, but perfect calmness ~~doe~~ does not mean sitting still and doing nothing--nothing of the kind. The person who has faith is not one who just lies down and does nothing, but ~~He~~ he is not ~~a~~ one who stands up and says, Oh, my, my, what's going to happen, what's going to happen, rushes back and forth and is all nervous and upset. He knows that God has the end ordained from the beginning and that God controls all things, but He knows that ~~He~~ ~~is~~ belongs to God. God has a ~~purpose~~ ~~purpose~~ purpose-in-it for him and he should do his utmost to fulfill ~~h~~ his purpose and not worry about the rest of it. We had a student a good ~~may~~ many years ago who I thought gave a wonderful example of this. This student was signed up to enter the seminary, ~~and~~ and he wrote to us (this was the beginning of W.W.II) and this man said I ~~am~~ am in the ~~a~~ Air Force, and I am to receive orders to go but no way of knowing when I'm to go. I was expecting to start Seminary this fall but now I have been taken into the Air Force and am to receive these orders. They might come next week. They might come three months from now, he said, I don't know when they will come, so I'm going to start my course and get what I can. And instead of sitting at home and thinking, Are they going to call me tomorrow or is it the next day and being ~~always~~ always concerned about
