

3/18/41

Hon. Franklin D. Roosevelt

p.3

several trips to Washington, or to spend hours going from one office to another in order to try to get attention for that which I am patriotically offering to my country.

I hope, sir, that you will take the time from your many important duties to order a complete investigation and consequent purchase of this invention, in order that the defense of our country may thus be immeasurably strengthened.

Very respectfully yours,

AAM/b
