

Mr. James S. Coulter

I do not have before me the Christian Beacon of August 18. However, I am sure that the United Church of Christ of Canada has quite a number of sincere Christians included in its membership. Its leadership, like that of most of our big denominations in the United States, is very modernistic, and is rapidly leading its people astray. If a person wishes to stand true to the Lord, his only wise course is to come out of such denominations.

Individuals in some of these churches think that they can make such a stand for truth as will be able to change the whole church. I fear that the modernist leaders are too strongly entrenched for such an attempt to succeed. Only God knows the heart. If a man is really attempting to do a good thing, even though it be impossible, God knows about it. On the other hand, if a man is pretending to want to do a good thing, and simply staying in in order to get a pension, or to avoid bringing difficulty to himself, God knows that also.

Thank you for your kind offer to make a good Dobbs man's hat available to us. The requirements you indicated impressed me at first as hardly likely to be found. However, when I mentioned it in our faculty meeting, I learned, to my surprise, that Mr. Thomas Taylor of our faculty wears a size 7 1/8 hat, that he always wears a hat, that he always wears a hat with a wide brim, and that the hat he has at present is just about worn out. Under these circumstances I am sure that your father's hat will receive a great deal of use by one who is extremely active in the Lord's service, if you make it available to Mr. Taylor.

Thank you again for your kindness. It is always good to hear from you.

Cordially yours in Christ,
