

He was (5.) but it was purely a matter of her husband and his friends that were the cause of Rizio's murder. But under the circumstances it did not win Mary's love back to her husband

Well it wasn't long after that that she had a baby born, who later became James VI of Scotland, her father had been James V. But the baby was only a very few months old when it was evident that she was very tired of Darnley and she was interested in a man who was nominally a Protestant. But actually he was an unprincipled fellow that nobody had any use for. ~~XXXXXXXXXX~~ ^{His name was} ~~was~~ Lord ~~Bothwell~~ Bothwell. And just what happened now is hard to know. Sabatini has written a book of history in which he has taken various incidents in history and given an imaginative reconstruction. And I read the one which he wrote of what he thinks happened on a certain night in February there in Edinburgh. According to this account with imagination - Lord Darnley was rather ill and he was taken to a house in the outskirts of Edinburgh and according to Sabatini's reconstruction, he was urging Mary, to whom he was utterly devoted, to stay with him and not go off but Mary said, "No, we're having a big ball at the castle tonight and I must be there. I'm expecting to have a lot of fun there. I wish you were well enough to go there with me but since you can't why I must go!" So she left him. According to Sabatini's reconstruction, Darnley heard noises which made him begin to wonder what was happening. He heard these sounds down underneath, he heard the sounds of people round about, and he got up from his bed and he made his way - got out of the window - and got down on the side - there was a place he could get down to the ground and he was out there and started to look around and one of the men who was out there - that he ^{had heard the sounds and} didn't know what they were, stabbed him and almost immediately thereafter the house blew up. Well that is Saba-
