

outstanding figure ~~who~~ to Leo prominence in the christian church or even in the political world, at this time were just did not happen to be , and that of course was all the more reason why he should have an absolutely outstanding position and an outstanding reputation for himself. And so I do not think you can understand the life of the power of the bishop fo Rome to the ~~point~~ point where millions of people in the world today can have the attitude toward them they have, if you do not reconize the place this great evil man had in The first really outstanding man 400 hundred after the time of Christ but a man of very remarkabel outstanding abilities and a man who had the good fortune of being almost alone in his period as far as men of his ability were concerned. We will continue there next time, I see
