a circular copy that is put out, not by the national Christian Council but there are many NCC men on this letter head that is sent, is put out by the YMCA of Japan. But for instance who is a NCC man and various others

here are also members of the NCC of Japan (skip)

and one of these is ~~xxx~~ written by Dr. John R. M. / that particular

book , I know very little about, I don't think it is so bad, the second one

Characteristics of Bible by the third one is the Religious

Situation by Paul Philip. The fourth one here is a very abnoxious one because

it is on the subject of and there are one or two others of that kind,

but then Christianity in the world today by Brunner. Dr. Brunner is the

well known author and professor of University, and he has

connected the following four as being of special significance and so

on, the spiritual basis of democracy, Christian and cultural crisis, Chris-

tianity and the middle road, ~~parliamentary~~ and the predicament of the church

today. The next book is by John C. Bennet of Union Theo. Sem. in N. Y., the

next also is by Bennett, Christianity and Communism, and this is the latest

book by Bennett, the relationship of Christianity and Communism on

the student and young people. This book has many valuable suggestions

for Japanese young people and then comes a Japanese author who writes on the

Church and Communism and he points out that Germany and Communism had many

things probably in common, and tries to give suggestions to the Japanese

young people facing that, but next recommendation, Christianity and Marxism

shows that the whole YMCA and that ¹ includes the NCC also in Japan are

many communistic theories and this book Christianity and Marxism

written by a man who just belongs to the institute of social service and
