

- 91 Joel What is the general meaning of the book?
- 92 Two hypotheses to start with
- 1) Viewpoint that is all a future prophecy
- 2) Viewpoint it fits immediate situation
- 93 1:1-3 Fits immediate situation
- 1:4 The palmerworm. Stages of locusts
- 94 The characteristics fit various categories rather than same category. Phrase inconclusive as to whether represents different kinds of locusts or different types of armies.
- 95 Points to a great destruction
- 1:4 Pass or future?
- 96 Verb in the perfect tense suggests something done
- 97 ~~is looking when the people addressed have been destroyed~~
Addressed to contemporaries living at the time when this destruction has occurred
- 98 Bookdealer in Scotland who sold BDB for \$5
Wake up and see what has happened rather than wake up and see what is going to happen
- 99 Story of time AAM drank all the water out of his canteen
- 100 1:5 Fits better with idea of a natural calamity of what has already happened.
The invading army is like locusts
- 101 Have no record of a locust plague that would be remembered long after, except this one here
