

at the retreat (laughter), one Sunday evening, and he was in here, thinking that this might be the place. Well, they have this place over here, this big estate, this lovely building for the Dominican Sisters for ~~the~~ their retreats. They are propaganda meetings, at which Protestants and Roman Catholics come over and have Roman Catholicism presented to them. And then I believe that it was just three ~~year~~ years before we purchased this place that another Roman Catholic who purchased the estate right over on this side. And right over there you have fifty acres, and there was a big sign, when we came here, there was a big sign saying The Christian Brothers Scholasticate. Now they have changed it to Anselm Hall, and it is a group of people ~~of~~ over there who attend the Roman Catholic College down in the ~~a~~ city, but who live under monastic rules over there. They wear these long black gowns, they have a certain hour of the day for devotions, a certain hour for a little walk, certain hours for the readings of the prayer book, everything is ~~the~~ prescribed through the day. These fellows have taken the vows of poverty, chastity, obedience to their superiors, they are not to preach, but they have ~~the~~ vowed to devote their lives to free teaching, without pay, of the doctrines and the principles of Roman Catholicism. You will find a large group of fine young fellows over there ~~who~~ who are devoting every moment of day and night to their training to make their lives count for the strength of Roman Catholicism.

Roman Catholicism was a very small force in this country seventy<sup>1</sup>/<sub>2</sub> five years ago. There were very few here. There have been a great many immigrants into the country, but in addition to that, there has been an active endeavor on the part of the Roman Catholic Church to take control of this country. Now it is vital that we understand the Roman Catholic Church. You will probably have little contact with the group over here, now, and over here, while you are here. But in days to come, I don't care whether you are in this country or in any country, you are going to have considerable contact with the ~~the~~ people trained in these and similar institutions. It is a great and powerful ~~the~~ force, a force which in many countries of the world, where
