

church and entrust their ~~xxxxxxxxxxxxxxxx~~ children's welfare and their own spiritual growth ~~xxxxxx~~ to what they are getting, but when it comes to giving ~~the~~ ~~it~~ money to it, they couldn't do that, they have got to give their money to where they know that it is sound, seems to me that this is ~~axgxxx~~ pretty good arguemtn for them to step out and give things much more important than their money to the direction of those who are ture.

(question) Now, I was talking to the representatiave of a mission that is doing a fine piece of work in Europe, some years ago. ~~xxxx~~ and there was a girl who came from it and spoke to the Seminary, and she gave a very fine address, ~~xxxxxxxxxxxx~~ down in Wilmington. And I was talking to her, and she was as fine a missionary, and very anxious to be back in the work, but she had been home here three or four years. she loved to get bazck, but they didn't send her, they ~~xxxx~~ kept sending her around spekaing to churches. And they siad, we have to have money to support these people who are over there on the field. And she made a fine i,pression in the churches. I heard one indpendent mission the man said to me, it takes practically two missionaries to do ~~axpxxx~~ piece of work. One to be here going around speaking in churches raising the money. The other one to be off ~~doing~~ the work. And the people hear a man speak, and oh my he is wonderful Let's give him moremoney than we can ~~xxx~~ afford this week. And they hear ~~xxxxxxx~~ another speak, and he is not ;such a good speaker, but he may be a wonderful missionary. I know of one mission board, ~~xxxxxx~~ in ~~xxxxxx~~ which the missionaries get their money quite directly from the p. Each missionary raises the money, and they get whatever they raisæ And I heard, ~~xxxx~~ just a few years ago, I heard of one area where a missionary wrote home, he had money, he had friends who were sending him all hexx needed, good support. That was it. But he siad that there was one missionary in the area who was receiving five times as much as anybody else, receiving absolutely ample funds, e was a wonderful speaker, and a fine letter-writer, and then he said they had a dozen others/ missionaries there who hadn't received anything for four ~~xxxxxx~~ months. And he said they were practically in rags. And if it¹/₂ wasn't for the help of other missionaries on the field they would just be utterly ~~xxxxxx~~ ^{destitute}.
