Who is he that obeyeth the voice ~~of~~ that is, _____ what Christ did, ~~of~~ when he did not hide his face from shame and spitting. That ~~doesn't~~ mean to say that there was left anybody there, there were a few people there. But the number ~~of~~ would be perhaps hundreds of people who had been there. (a question) I would think/ that perhaps as much as 95 % were taken to _____. Mes, Mr. Gregory? There were people ~~into~~ who went into many areas of Assyria. But this was pretty far off. They didn't _____ into the North. _____ this is Samaria. There were people brought in there by the Assyrians, after they took the people of the North kingdom out. But they were far less than the people whom they had taken out. And into Judah, as far as I know, there is no evidence that everybody was gone (or taken out?),
