(5.50) is their rebellious heart. They may listen or they ~~may not~~ may not listen. They are ~~not~~ to notice prophets among them. They are ^a rebellious nation. But; you are to be sold where ... god ... that you will not be afraid/ to give God's/ message to them. Now, then I have asked you to look at chapter ~~3~~ 3:15-21. And what do we have in verses 15 and 21? And first, we might look at what is before them. Before that, God has stressed the ^{to Ezekiel} fact/that he has a message to give. He stressed that ~~fact~~ from chapter 2 to chapter three and then in verse 15, He has gone to the people to captivity, and there he spends seven days. There ~~he~~ he spends seven days ... He established them there seven days among them. And then at the end of the seven days, then the Lord gives them a message. And what is the message that the Lord gives them. The message that He has given ... the verses 17 - 21. ^{watchman} The message that He has given is that He is the ./ that turns away ~~people~~ ~~from~~ from their sin. ... of righteousness continues in their righteousness. ^{the blood} He is told that therefore ./ would be on his head, if he does not warn them. This is a command which was shown in a great deal of talking, through a great deal of talking ~~to~~ to individuals. And you can imagine, of course, ~~that~~ given/ this command, getting started and talking and talking steadily and regularly/ to people... and I have known ~~Jesus~~ cases where some people would do this and cases where other people do not do this. They won't listen. After a while, they go over there and they take it in, and eventually they pay a lot of attention. But in this case we have that in ~~24~~ 3:15 and 21. And what do we have in 24/ to 27? In chapter 24 to 27, we are told to be quiet.
