How he uses unusual method to get getting the hearing of the people, to get the thought to them and how this kind of situation calls attentinn of the people... Another ... which would increase the attention later on, but not at there end of the ministry...

I thought that this would open up some very interesting connection with it.

renewal of new spirit  
Ezekiel thought us of a new heart/.. he is going to give that which is very interesting.

Maybe we will come to that beautiful.. we might turn to Isaiah, unless you have some further questions at this point. There is a man named Jack

Kennedy- ~~Finx~~ Finnegan. He published a book in 1940 or some years later, but not much later, what was the name of the book? The Ancient Past ... I think...

It relates to the Bible and you will find a lot of excellent material in it... but

for a sm similar but for a summary... something that is very polite... Now if you

want a picture, look in the library called the Ancient Newareastern ... Related

to the Bible... published by ~~John Finnegan~~ University of ... which has pictures

of archaeological material... any of them ... ~~then there is a companion Bible...~~

to the Ancient Neareastern ....  
~~which has translation of...~~ then there is a companion Volume /which has

translation of texts... those are good reliable sources, although they are not

... Pritchard's book ... they are quite genuine, for they have pretty good

presentatenion of ... not prejudiced in our direction. if you/like to have general instruction ~~introduction~~ published

to these...., this Modern Science and Ch~~A~~stian Faith /by the American Scientific an article ab

Affiliation 1959---1949, has in it/about 30 pageslong by myself on Archaeology in and ~~its~~ relation to the Bible. In that 30 pages ..I covered a lot of material...

~~What~~ gives general introduction to a lot of rather important illustrations, and is

the fact that there are so much material in 30 pages...
