

~~is~~ ~~a~~ ~~x~~ calling on people to accept Christ , would he say Come or would
 he say Go. He doesn't want people to come to himself, he wants people to
 come to Christ, / But who is speaking here, we have no clear indication
 in verse one. Let's rapidly look at these first verses again. Mr. Lee will
 you rapidly ~~x~~ read verse ...So here you have the fruit juice, the wine ,
 We have the grain with
 We have the milk, with all the protein that it contains. / We have all the
 all the starches. and ~~I don't~~ yet he says come ye to the waters.
 things necessary / ..and I don't think that anybody takes this verse literally.
 He is not saying Come to the waters, he is saying that but what he means is
 that He is the one ...there are blessings to the spiritual life that are
 complementary to the physical--these things that ~~x~~ are important...Without
 them y...the verse is talking about spiritual things. But now who is giving
 this call. It is an evangelist , ~~is it~~ is ~~is~~ it a prophet ...is it God himself
 --up to the present we have not ...verse two.. And you see how there's is the
 literal. And a certainso they raised it up...Instead of waiting...
 andit adds nothing to the weight.. and you cannot take a dollar's worth
 of metal...But now, all of our ...they ~~say~~ claim to tie it up...so this is the
 literal...and he says why spend money...and he say-- is for...the what is this ,
 ma is that....this is the ..._____, why do you go there. And continuing, what
 is the ____ ..Why do you pay money that is valueless ./ why do ~~you~~ you pay that for something
 that does not...it isn't here. Bu has ~~var~~ various meanings. Now, if the Bu means
 of In other words , without means. It's more like our English ...and then
 it ~~x~~ says ...It is very easy to miss a word....and under ~~is~~ . Now, so that is
 often a problem. So this is your toil, or that which is produced by your toil.
 So ...without securing ~~xxx~~ something that ...~~is~~ ~~it~~ in exchange for something that
 is not ...What is the form of ...but that ~~the~~ termwithoutthe Infinitive
 absolute normally seeks to merge with the ~~sheghol~~ sheghol , preceding the verb
 it strengthens the verb idea, adds emphasis , it may ~~idea~~ ~~the~~ add ~~x~~ the idea ...
 but when it follows ...actually, you see ~~e~~ ...it is ~~x~~ stressing the hear, b t when
