

Israel and to redeem the nations, x All who were thirsty come...and without price...They are told that they are to be ~~centered~~ ^{centered} ~~centered~~...from which the x Word will go out to many other nations that have not known. Now, the ~~objection~~ objection to that is that the e is no ~~specific~~ specific references to Israel anywhere in the chapter. ~~But~~ But not an exclusive objection...the second ~~possibility~~ possibility is the date. ~~But~~ But it is thinking of David as receiving marvelous promises... makes him a witness. and a leader. so that he is not going ~~aw~~ beyond the ...had previously never heard...because and then the third one...is referring to everyone who is given a call. Ho, everyone who thirsteth...whoever it is that ~~come~~ come and you will ~~receive~~ receive the sure mercies of David and you not only ~~will~~ become a ~~recipient~~ recipient but a participant. And nations that didn't know you at all or you didn't know anything about. You are going to be an instrument in bringing the wonderful blessings to ~~Israel~~ Israel. Down in Brazil...a missionary went into Brazil about 40 or 50 years ago--they went inland...there ~~was~~ was a ~~family~~ family there..named Gueiros...they doubtless ~~came~~ came from Portugal/^{sometime} ~~some~~ ~~time~~---how long ago nobody knows. x They were ignorant.. x a missionary came there and x gave the gospel. They were simply ~~making~~ making out their living... One of them was the father of Israel ~~the~~ Gueiros, and the other one ~~was~~ was ~~one~~ one of the three men...three men were ministers...they went about in Brazil there. *They preached the word of God* They got an education for their children, their descendants now are---
