

don't expect ...I don't think ~~that~~ that Ki would ~~ja~~ mean...or in order that  
 --that is, it's implied. Yes, I think that ...the thing ~~that~~ taken by itself  
 that idea would certainly be ..His thought and His ways are beyond our compre-  
 hension, but in the context the ~~emphais~~ emphasis....He is so much better than  
 we are , that He will make such an offer of salvation as this ! You can't imagine  
 that ...Let the man who has sinned against me ...simply return. Man will require  
 that something be done about it, but God himself has made the record through  
 Christ, therefore God's ~~thought~~ though s that would not ~~ex~~ require man to  
 make ...that is so ...I think that is the definite thought in this particular  
 statement, so we can go on from there and note the true ~~facts~~ facts that  
 he has ~~xx~~ mentioned. I don't think that is in this particular verse. Of course  
 it is true that ...but I think that ...It is not ...Mr. Butler, ~~what~~ if you have  
 the just as...but the ...I don't think it is ...just as ...~~that is~~ there is an  
 interesting thought there. Now, you can get that ~~x~~ easily return from...or  
 until or ...they don't ~~xx~~ land on top of the earth and then go back to heaven.  
 They ~~xx~~ stay down here ~~te~~ and irrigate the soil. They provide the means of  
 sustenance. And then they return. My word will not return ~~xunto~~ unto me void , the  
 thought is not that they don't return but that ~~x~~ they ~~do~~ don't return until  
 they have accomplished their purpose.
