seed, one sewing

(zoreei)

-seed

form of this verb? \_\_\_\_\_ is ~~not~~ one ~~theme~~. It is like \_\_\_\_\_ (kotteil),

~~one-sewing~~ one killing, one sowing. And \_\_\_\_\_ is one E; to the one sowing,

and to the one ~~not~~ eating. Seed to the one sowing, and bread to the one eating.

Now, a participle expresses a continuous action. This continual action maybe

related to the eating, or maybe related to the main verb. Now, the speaker,

in my thinking, it will not return there, until it shall have done these things.

Now, there is the action. The water does not return, until it has given... watered  
~~not~~ fulfill these things...

the earth, so that it can ~~not~~. what is the relation of this active qal participle

in time to these two main verbs? Is it past, present or future? That is one

thing about the participle. ~~It's time~~--Its time can be anyone of these three,

continuous action, the time is not expressed in the participle, yet, it l... context ...
