cognate words, similar words that are used in Arabic or Syriac and so forth.

Quite an investigation can be made, and yet very little investigation ϕ like _____

result... but of course we have the translation acceptable. ... We know what they

What do we have . instead of Adam's getting out of the field... Genesis 3:18. He

says, cursed is to be put ~~on~~ upon nature. Instead of Adam's getting out of the

field ... when he works hard, getting strawberries and oranges... he is going to

get thorns and thistles... ~~Now the word~~ before he can get the result...

the disagreeable things are going to be there. Well, the words that are going to be

... well, the word disagreeable is different that the words that we hear. And

I do not know exactly what ϕ these plans are ... The Kings James translators

translate ~~the words~~ one of these words thorn, briers... which is very

similar... Whether we have a pretty evidence ~~or not~~ ^{what} ~~whether~~ these plants are

I do ~~nto~~ not know. Here a commentary says ... somebody goes to a land

where ... studies the conditions ϕ between the changes, the water ... the

amount of rain fall and certain plants have been eradicated by animals...
