

something... ~~of-~~ for ~~the~~ the _____ of _____-. you are just multiplying it up to so great that that is getting close to the idea of eternity, but when you --I would say that the mercy which he promises here is ~~without~~ without end, ~~and-~~ ~~but~~ but I don't think you can arrive it simply... I think that is a fact. ~~xx...~~

but I don't think the word _____ itself ... it ~~mean-~~ means a long, long distance. It doesn't say ~~where-whether-~~ whether, it seems to me a much more reasonable way to interpret. There are cases where ~~one~~ one combination of sounds has ~~two~~ two .. like ~~an~~ our English word ... which ~~means~~ means ... or maybe lacking in... those are two entirely different words, ~~and-~~ but ~~there-~~ then ~~an~~ there are cases where... but the things that are implied is a meaning of a word ... I don't think ~~you can say the-~~ If the two can be put together ... I would say that this word _____ is very, very ... but the word ~~in~~ in itself does not say... Here is ~~an~~ verse that goes right on. Mr. Butler, can you give us the next verse. In the Kittel Bible ~~as~~ as I have it here, in Isa. 54, starts with one word, and if you have one word, ~~what~~ what ~~that~~ that word mean. Not necessarily, ~~but-~~ I say See that little insect, and you say what is that, and you say, caterpillar, and you say what ~~is~~ is caterpillar, ~~and~~ ~~that~~ you say something that you put ~~up~~ up ~~in~~ in ~~for~~ front of the building to hold the roof up, well, if you have one word up... it may be ~~some-~~ something else, if you have mam, yodh, with a sere under the mam. But if you have _____. Now, what is the Hebrew word like --Yes, the word Like ~~is~~ is the ~~in~~ inseparable preposition _____, Now, this doesn't have a shewa under ~~it~~ it. How do you get ~~it~~ ~~or~~ light out of this. Did you ever hear of the word _____, What does it; mean? I thought that you would be familiar with the word _____, but you never know what particular word some people are ~~fami-~~ familiar with and ~~what~~ others aren't. Now, this
