great

kings... great value and strength they built... but he is going to build a spiritual house which will be comparable to it, similar to it. These are figures. They are figures.

They are figurative expressions for the spiritual house which must be built. (Q)

I do not think we are justified in making this the second temple. The passages as ~~a whole~~ deals ~~with~~ <sup>the</sup> way beyond anything... many people might hope that that ~~might be what~~ is what is described. But it is not going to be that way. I do not think that ~~the~~--- they found that that did not come up to this picture. This was a picture somewhat later on.
