

Israel is going to come the ~~skn~~ conqueror. Of course that is the first ~~verse~~, but most predictions are in the third person. I don't think of many predictions in the first/~~verse~~ ^{person.} Here you are looking at ..and there you are looking forward ...Yes, of course 22 shows Christ, but Psalm 22. thou wilt not suffer thy holy one to see corruption. It's rather ~~had~~hard to see ...It's rather hard to think of an occasion for the first person, of a mere human being At the same time it is rather rather hard to say it couldn't be . They predict Cyrus ~~xx~~ way ~~ahde~~ ahead, and I don't know that we could lay down ~~any~~ any rule, saying Cyrus will say. All these... lands has the Lord given ~~mex.~~ enough I don't feel that they are ~~set/x~~ ~~xx~~ first person predictionsx to warrant it ~~jin~~ making a rule. It is easy to make generalizations ~~liek~~ like this and we have to be careful. You can have five cases ...but the next ..I think that we have to be very ~~caref~~ careful about that. Unless there is something inherent in the nature that shows that ~~his~~ ~~inh~~ ..or ~~ix~~ unless you have a large enough ..with to make a definite rule, and then of course there is always the possibility, like the woman who said to the doctor , "hat are my chances of recovery. Oh, he says, they are excellent. 99 out of a 100 who have this operation ~~ide~~, die, and the last 99 have died. So you're the hundred one, so you're safe. Of course, if you have a wordk, ...

le had a speaker once in chapel, who made. aHe had ~~x~~ just been to Europe, he told us about the man who . He said he shook hands with someone ..my he has a good grip. And then he says he saw a man ~~comin~~ ~~gunning~~ running, and he said I left my grip on the train, and then he was taken sick and ~~sied~~ said, Oh, he had the grip. He gave about 6 or 8 different ...for homonyms. They seemed utterly unrelated. So that we ..but when we have comparatively few words. We- If it weren't ..but if a word is used...but 30 times, and there is a definite understanding as to how the words fit together. I am very leary, but if you have
