

# 76

then bring back Jacob. Sometimes it is Israel and ... Will be regathered for him, and I will be glorified in the eyes of the Lord. And my God has ... I think that there is a good deal more involved in that than ... When they are gathered ... bring them together there. ~~The course in the New Testament~~ 6-6. Of course in the New Testament, we have a lot of manuscripts, and having ... of manuscripts, ... and then we have few very early manuscripts... then we have some very few early manuscripts... there <sup>are</sup> ~~is a~~ principal rules ... and now in the Old Testament, some complain that all the manuscripts are destroyed... I do not think that ... but it is not that our manuscripts vary... there are great many... some attempts have been made ... rules and the ... and the handles... Now in the Old Testament, <sup>all the</sup> Some complain that ~~Old Testament manuscripts~~ were destroyed... but I do not think so. But it is true that our manuscripts are .. very, very close together... there are great many versions, but they vary with m.. mostly vowel letters... and this is the matter which some ... vowel letters are to be put in or left out. This does not affect the sense. And consequently, I think that as a rule when you have a word... you have more ... one might put in three ... certain places ... there is a tremendous amount of variety in the vowel letters. ~~And~~ But ... aside from that, the number of importance there/... this <sup>is actually very small/</sup> ~~could be that~~ all the manuscripts have been destroyed... Of course, the New Testament came into existence as books which were sent out ... a little group of travelling widely and ... there was no established, <sup>decade</sup> settled order ... in that first dedicated ... or trying to make great efforts... to copying exactly the way ... it is easy in ... presenting small errors... whereas in the Old Testament the books were established ... Israel ... God's word and were back ... we do not know. But certainly ... the books were established... from the very early time they were tremendously ... and we know that in the middle ... And we have a very good evidence of ... in the past that the four names ... the names change... We find ... in the market... . Whereas in the Septuagint... ~~we/~~ it is very difficult... but in Hebrew, the names and proper names are not exactly to be preserved more accurately than perhaps than any other, <sup>ancient writings</sup> and that is a pretty
