evidence that ... so it does not seem unreasonable that the great agreements among ... in the presence of ... now of course the Septuagint has not been reserved... the correct Hebrew version in some cases, particularly... but there was no doubt that the Septuagint does preserve/(6.25)Now, of course, in the Septuagint... the Dead Sea Scroll has the complete roll of Isaiah ... and another scroll that has ... the commentary on it on the back of it ... the small sections... these scrolls are rolled up in ... they will find six words on them, and they tried to find a place... and the great bulk of it is that sort of ... but they have promoted the ... Old Testament, and they have made the statement that ... they will find evidences that will ... the answer is that ... These are the three textual criticism... which once preserved ... but I am rather very skeptical about that. I can readily imagine that these men who studied are expecting ... I would like to say that ... there is ... the Isaiah scroll agrees very closely. It comes about the time of Christ. It is very close to the Massoretic text. It is the Revised Standard Version. The Revised Standard Version, I think, depends on where they .. these men on the basis of ... and then later in the next edition, the Massoretic text there is ~~are~~ correct. The Bible there is ... I heard them in one case where the chairman of the...Isaiah scroll... I find it difficult to ... there is the scribal error... In Isaiah scrolls there are many differences... most of the sections that are described are ... the four tops of the ~~sentences~~ the four tops include the text. The text counts ... it is identical that ... so the science of the textual criticism... does not have full details on it. We have certain ... this is a doll... and then we have ... I was having my thesis. The first was ... the second and the third... the top ... the first reason and then you have the first ... then there is the third... well, let us examine the ... That is very easy to have ... over and over and ... there are cases where a good possibility of ... that is the way which is meant ... and there are very few cases where there is an error. There is a good possibility of errors having coming in, either that or the way in which... and there are very few cases
