

E-76

there is an error... the first reason in his eyes... right on there, so then you have the first and the third... Well, that is the example of that which is very likely to happen. It will happen over and over again. So, it would be ... I doubt if there are cases where a good possibility of an error having some in .. the way in which ... It like one case where it says that Samuel's mother brought three ... ~~the Massoretic divisions~~... It is a matter of tau being the end of one word that is used ... the ... had the right division... and he refers to the one company ... in a way that would not apply to the three year old ... so there are certain definite tendencies... and of course, the principle of the importance of watching out for the ^{errors of the sounds and the errors of sight} ./. and... but most of all that is the ... and very interesting that ~~He and Cheth~~ He and Cheth are so much alike that it is very rarely erroneously copied. They are so much alike that they had better in mind the danger and watch ... Daresh and Resh look quite different and yet they are often written ... (12.4) I will be glorified in the eyes of the Lord, and my God has been my strength. It is certainly not a parallel ... and the fact that these two have ... are not parallel... they are very definitely ... and the fact that they're ... thoughts are certainly ... the night before ... it makes.. but it is often used ... it is giving an idea as to the ... wit out spelling it out all. Though ... but we cannot be too dogmatic... though ... let us go on to verse 6. We have not looked at.. Maybe Mr. Butler might like to read verse 6. This second word here is a verse which I do not ... anybody if they have ... for this reason ... now when Dr. ... was speaking he thought that there are five main ... in the verbs... and ... Ayin and Ayin and Ayin and Waw ... Dabesh forte. I felt that ... when I started ... I immediately thought that ... because these started just as the ... there is no emphasis, and then ... that never seems to be very logical. I thought that when I started, I immediately argued along with ... first. He said that these started just as .a simple rule ... there is no emphasis
