shall see seed, and continue there Mr. Lee. He ~~sah~~-shall make long, or prolong

days. He was cut off out of the land of the living. Now, that of course fits not

with the individual wh o believe in his sᴇᴍ so ....God accepts the sacrifice . The

atonement is complete. But it is not ended....Nowt come to andk end. I am inclined

to think that it is by instead of him. It is not that the ...but it something tha t is

...through what he has done by means of ...the pleasure of the Lord shall ~~parose~~

prosper by means of what he has done. I would think that it is definitely *true*.

The pleasure of the Lord will prosper in His hand. And Mr. Kim could you read

us the next. He shall be satisfied. He will look away from the travail of ~~the~~ His

soul.x, and He will be satisfied, for ~~the~~-by the toil of His so ul He will see through

t he things that are necessary, and He will be stx satisfied. ~~For-by-the-travail-of-His-~~

~~soul He will~~ He will see deliverandkce, it has accomplished great things. And He

will be satisfied because of what happens later. In our English language ....there

i s a little peculiarity ....ordinarily in ...an attributive adj. and agrees with ixx it

in number , gender, and case....And here in that case. My servant , the righteous

one, that is not what we have here. Here we have by His dk knowledge. He is

going to do that ...By the great knowledge that he possesses. I remember hearing

when I was a boy.xx about somebody that had a machine that they couldn't get started.

And they saw a man and they said , Could you help me. And he gave this bill, $25.25

and they said...We're glad to pay the bill, but we think tkxit is very peculiar, but

will you explain it to us. And they said of course, it is  .25 for doing it and $25.00

for knowing how to do it. Well , it shows the importanceof knowledge. You can kx

do things wrogng, you can get them all messed up. If you don't understand it is

better to keep your hands off, but if you know how to do it, then with a little bit

of effort you sᴇᴍ x can do a thing and so knowledge is a tr emendous thing, and the
