

book of Proverbs is devoted much of it, to the importance of getting...getting ability to do things right. By His knowledge...how many think that isn't...Well, the answer to that question of course is there are various kinds of genitives. There is the possessive genitive, there is the possessive genitive, there ~~is~~ is the objective genitive, and there is the subjective genitive. What is the statement...By their poverty they ~~was~~ made many rich. Now, is ~~that~~ ...there are many cases where there are ...and there are ~~these~~ three possibilities of genitives and so it is wise to think of these three possibilities and see ~~which~~ which makes the best sense...yes --~~what~~ we in our Endo-European languages call a ...is a word which in Latin and Greek have a...an ending which is Genitive. Well, in English ..but in Hebrew and Semitic languages, what we call a genitive ..is a word that comes after the construct...the result is the ~~same~~ same. The construct is a word which is used in construction with another ~~work~~-word in such a way that the other word is ...Well, now , if the other word is a ..If the other word is a noun, it comes after the .. but if the other word is a pronoun then you make ~~is~~...so a pronominal suffix is exactly the same as the Genitive ...If you say. My Son, or the Son of the man -it is a ...so here we have ...and what kind of a ...Here we have His , , ...Yes --you say objective, I do not ...and to relate a thing to ~~is~~ its fulfillment... and our King ~~Jesus~~ James Version is not very satisfactory...because...we do not take it as an ordinary...we could say...~~meaning~~ meaning...in their ...yes, but...that would be objective wouldn't it...It would be an ~~object~~ objective genitive. It is the thing that somebody ~~approach~~ approaches, but when we use it with knowledge ordinarily. we say knowledge of Latin~~ing~~ is a valuable tool. W^E don't mean ...we mean the Latin that is known. If we say the knowledge of that man is very extensive
