

facts of Thy word prove to be build upon a misconception or misintrepretation. Thy Word is entirely true and dependable and correct. But Oh Our God how easy it is to put it up on a shelf and say, What a wonderful book and give it lip service and not meditate upon it day and night. Not feed ~~it~~ upon it, not build our life upon it. How ~~easy~~ easy it is to pick ~~up~~ out a few beautiful verses ~~th~~ here and there which have wonderful turth in them and to talk about them and to neglect the great treasures of ~~the~~ law. Oh how easy it is our father to insist upon a particular intrepretation of one or two verses and to neglect the great clear teaching of great portions of thy word. Oh help us our father to take our stand on thy word, help us to insist upon its complete truth. But oh our lLord help us to study it all and to follow it and to do Thy will as thou doest lead. We ask in Jesus Name.
